Features

- Durable, rust proof frames made from thick gauge aluminum with a high-quality powder coated finish that is appropriate for residential and commercial settings.
- Comfortable, quick-drying sling fabric.
- Scratch resistant proprietary Al-Stone top with a concrete look.
- Easy and durable extension mechanism, simply pull apart the table from both sides and flip the extension leaf into place where it will stay put with magnetic hardware.
- Stackable design makes storage and transportation easy.
- Plastic foot glides help to protect your patio from scratching and also to help keep the furniture protected from dirt or water that can accumulate on the patio.
- Recommended for use only under covered patios, or if placed in direct sun, must be covered with protective cover to prevent fading
