Dune 5 Piece Dining Set - Canvas Spa HL-DUNE-DW-5DS-SP

Product Images

Description

Bring comfort and elegance to your patio with the Dune Teak 5 Piece Dining Set by Harmonia Living. The Dune Collection features a clean, simple build that will add modern style to your outdoor dining experience. This set's clean lines, teak highlights and beautiful wicker give it a unique visual appeal, while sturdy, all-weather construction ensures lasting performance across the seasons. A large table top allows you to easily seat up to 4 people comfortably. The wicker is made with durable High-Density Polyethylene (HDPE) and finished in a beautifully textured Driftwood color, which gives it a natural feel. Its sturdy aluminum frames, double reinforced seats and fade resistant cushions are made to endure in any outdoor setting, rain or shine. The table is made with recycled, FSC certified sustainably harvested teak wood, which is ideal for frequent use outdoors. If you wish to order this set through Harmonia Living's Quick Ship program, make sure to select a Quick Ship (QS) fabric before checkout! All cushions are made in the USA from Sunbrella, Outdura, and Revolution performance fabrics which carry a 5 year fade warranty. This set comes with 4 Dining Chairs and 1 Classic Teak Square 4-Seater Table, perfect for your patio or outdoor lounge.

- Arm Height: 25
- Classic Teak 4-Seater Square Dining Table: 43L x 43W x 30H (60 lbs.)
 - Frame Height: 30
 - Under Table Height: 26.75

Features

- High-Density Polyethylene (HDPE) is a synthetic all-weather wicker made with virgin materials that provides resistance to fading and cracking. Wicker color is infused into the HDPE wicker for lasting durability.
- Wicker is hand-woven onto a thick gauge, powder coated aluminum frame that is lightweight, durable and corrosion resistant.
- Each seat is double reinforced for lasting durability
- Made from sustainable certified V legal, Grade A teak is harvested responsibly. Grade A teak is from mature trees that features grain that is more even, and color that is more consistent than lesser grades of teak.
- Teak is dense hardwood that is naturally oily which offers benefits over other natural woods including resistance to light, heat, moisture and pest damage.
- New teak wood furniture will have a warm golden hue that patinas to a silvery grey over time. Letting the teak patina will not compromise the integrity of the wood, however, to keep the golden color, clean the teak furniture about once a year and apply a thin layer of teak oil.
- Pre-cut umbrella hole fits umbrellas with a pole diameter up to 1.5" and includes a brass plated umbrella hole cover.
- Plastic foot glides help to protect your patio from scratching and also to help keep the furniture protected from dirt or water that can accumulate on the patio.
- Cushions are made in America using American materials including Sunbrella, Outdura and Revolution performance fabrics which are easy to clean, are fade, stain, mildew resistant and carry a 5 year warranty.
- Machine washable cushion covers feature durable and frustration free YKK brand zippers for easy removal. Top and bottoms of our seat cushions are identical so they can be flipped if a stain gets on the cushion between machine washes.
- All cushions are sewn with PremoBond brand marine-grade UV treated thread made from high-quality mold, mildew, and rot resistant bonded polyester to ensure your cushions won't fall apart at the seams.
- Each seam is finished with overlock stitching for additional durability, reinforcement, weather proofing and to prevent the fraying of internal fabric edges during machine washing.
- American made CertiPUR-US® certified foam cushion inserts which are produced without harmful chemicals such as formaldehyde, ozone depleters, PBDEs, TDCPP or TCEP flame retardants and are free of mercury, lead, and other heavy metals to protect the planet as well as the health of you and your loved ones.
- Thick 2.5" foam cushion inserts creates a cushion that's firm enough to avoid bottoming out, but soft enough for comfort.
