Features

- 100% FSC certified Indonesian reclaimed teak is repurposed into high quality outdoor furniture.
- Each piece is a unique work of art, handcrafted by skilled artisans who are masters working with reclaimed teak.
- Made from reclaimed from deconstructed buildings and bridges, there is no harvesting of new teak trees to make this furniture.
- Teak is dense hardwood that is naturally oily which offers benefits over other natural woods including resistance to light, heat, moisture and pest damage.
- New teak wood furniture will have a warm golden hue that patinas to a silvery grey over time. Letting the teak patina will not compromise the integrity of the wood, however, to keep the golden color, clean the teak furniture about once a year and apply a thin layer of teak oil.
- The outdoor extension table has a self-storing leaf which extends the table from 86.6" to 133.9" in length. When extended, this patio dining table can seat up to 12.
