Olio 3 Piece Club Chair Set - Slate/Pebble Gray OLIO-SL-PG-SET104

Product Images

Description

Carefully crafted with a level of design worth highlighting in your outdoor living space. The Olio 3 Piece Club Chair Set by Harmonia Living is a mid century modern design that will bring your patio to life with its sleek silhouettes and its beautifully constructed frames. This outdoor set is built to be long lasting with its uniquely paired Olefin Rope detailing and fully welded, powder-coated aluminum frames. The Olio collection is completed with plush, zippered outdoor cushions made in America from Sunbrella, Revolution and Outdura fabrics which carry a 5 year fade warranty and are easy to clean. Additionally, the deep seating frames can stack or nest for seasonal storage making them ideal for both residential and contract settings. Olio is truly built for life outdoors.

 - Arm Height: 24
- Olio Square End Table : 19.75L x 19.75W x 18.5H (17 lbs.)
 - Frame Height: 18.5

Features

- Durable, rust proof frames made from thick gauge aluminum with a high-quality powder coated finish that is appropriate for residential and commercial settings.
- Olefin rope wraps around the frame to provide padding as well as heat moderation for improved comfort on hot or cold days.
- Plastic foot glides help to protect your patio from scratching and also to help keep the furniture protected from dirt or water that can accumulate on the patio.
- Cushions are made in America using American materials including Sunbrella, Outdura and Revolution performance fabrics which are easy to clean, are fade, stain, mildew resistant and carry a 5 year warranty.
- Machine washable cushion covers feature durable and frustration free YKK brand zippers for easy removal. Top and bottoms of our seat cushions are identical so they can be flipped if a stain gets on the cushion between machine washes.
- All cushions are sewn with PremoBond brand marine-grade UV treated thread made from high-quality mold, mildew, and rot resistant bonded polyester to ensure your cushions won't fall apart at the seams.
- Each seam is finished with overlock stitching for additional durability, reinforcement, weather proofing and to prevent the fraying of internal fabric edges during machine washing.
- American made CertiPUR-US® certified foam cushion inserts which are produced without harmful chemicals such as formaldehyde, ozone depleters, PBDEs, TDCPP or TCEP flame retardants and are free of mercury, lead, and other heavy metals to protect the planet as well as the health of you and your loved ones.
- Thick 4.5" foam seat cushion inserts plus additional layers of 1" of quick-drying Dacron on the top and bottom to help wick away moisture. This combination of layers creates the "Goldilocks" of cushions, firm enough to avoid bottoming out but soft enough for comfort.
- Back cushions are filled with 100% polyester fill fibers for a cloud-like back rest. The insert is sewn shut in a mesh incasing to keep the filling clean and easy to unstuff.
