Description

Bold and imagined, the Carl Roost 4 Seat Reclaimed Teak and Rope Dining Set by Harmonia Living will bring modern farmhouse style to your outdoor living space. Its 51" circular teak tabletop and crossed legs are made of 100% reclaimed teak, repurposed from Forest Stewardship Council (FSC) certified timber. The Roost 51" Round Reclaimed Teak Dining Table is paired with 4 Carl Reclaimed Teak and Rope Dining Arm Chairs featuring a blend of intricate rope design and repurposed old-growth teak. The rope itself is twisted strands of high-density polyethylene (HDPE), crafted to form a sturdy, compact in scale, comfortable seat and back. This one-of-a-kind piece of outdoor dining set is of the highest quality and comfort built to be long-lasting and in-style for years to come.

Features

- 100% FSC certified Indonesian reclaimed teak is repurposed into high quality outdoor furniture.
- Each piece is a unique work of art, handcrafted by skilled artisans who are masters working with reclaimed teak.
- Made from reclaimed from deconstructed buildings and bridges, there is no harvesting of new teak trees to make this furniture.
- Teak is dense hardwood that is naturally oily which offers benefits over other natural woods including resistance to light, heat, moisture and pest damage.
- New teak wood furniture will have a warm golden hue that patinas to a silvery grey over time. Letting the teak patina will not compromise the integrity of the wood, however, to keep the golden color, clean the teak furniture about once a year and apply a thin layer of teak oil.
- High quality outdoor roping is woven onto an aluminum upper chair frame with natural teak wood legs for a stylish look.
- Plastic foot glides help to protect your patio from scratching and also to help keep the furniture protected from dirt or water that can accumulate on the patio.
