Description

The Lift Communal 8 Seat Extendable Reclaimed Teak Dining Set by Harmonia Living brings mixed material design and flexibility to your outdoor living space. The included Communal Reclaimed Teak Outdoor Extension Dining Table is brought to life by gifted craftsmen utilizing old-growth teak as a 100% repurposed material balanced with a powder-coated aluminum base. This set also features (8) of our popular Lift Dining Armchairs for a clean modern look. These stackable dining chairs are low maintenance due to their powder coated aluminum frames and the durable textelene seat and back are designed for cushion-free comfort. To extend the Communal Reclaimed Teak Outdoor Extension Dining Table simply pull each end of the tabletop apart to expose the hidden leaf section, flip the leaf over and push the sides of the table towards the leaf. 1 person can easily operate extending or closing the table. Designed to seat 8 when the leaf is not in use, when fully extended, this table will seat up to 12 people if additional chairs are added to this set.

Features

- Durable, rust proof frames made from thick gauge aluminum with a high-quality powder coated finish that is appropriate for residential and commercial settings.
- Comfortable, quick-drying sling fabric.
- 100% FSC certified Indonesian reclaimed teak is repurposed into high quality outdoor furniture.
- Each piece is a unique work of art, handcrafted by skilled artisans who are masters working with reclaimed teak.
- Made from reclaimed from deconstructed buildings and bridges, there is no harvesting of new teak trees to make this furniture.
- Teak is dense hardwood that is naturally oily which offers benefits over other natural woods including resistance to light, heat, moisture and pest damage.
- New teak wood furniture will have a warm golden hue that patinas to a silvery grey over time. Letting the teak patina will not compromise the integrity of the wood, however, to keep the golden color, clean the teak furniture about once a year and apply a thin layer of teak oil.
- The outdoor extension table has a self-storing leaf which extends the table from 86.6" to 133.9" in length. When extended, this patio dining table can seat up to 12.
- Stackable design makes storage and transportation easy.
- Plastic foot glides help to protect your patio from scratching and also to help keep the furniture protected from dirt or water that can accumulate on the patio.
